Subject: Additional Media Outreach Ideas || Spanish & Russian Speaking Community Members

Hello team!

At our meeting on 3/23 at IRCO, our Spanish and Russian interpreters provided us with some additional outreach ideas for Portland's Spanish & Russian speaking community members. I have listed them below:

- **Kahoh Magazine** (pronounced 'Kanon' in English): Russian-American community magazine frequently read by Russian speaking community members
 - o Website: <http://kanonpdx.com/page.php?id=1>
 - o E-mail: ontact@kanonpdx.com
 - o Contact: Yuriy Boyechko
 - o Notes: Keep the message simple and to the point for the Russian speaking community – the fish are contaminated – don't eat them. It would be great to have an article or our press release translated in Russian about Portland Harbor and given to Kahoh Magazine.

- **FA Radio on KBOO**: A Spanish community radio program that is from 1:30pm – 2:30pm every Tuesday.

- o Website: <https://kboo.fm/Fusionarte>
 - o Contact: Pepe Moscoso (studio-lupa@hotmail.com)
 - o Notes: We could have Annie & a Spanish interpreter attend this radio program and basically deliver whatever presentation we present for the Proposed Plan.
-
- (For Alanna and Laura) **Teatro Milagro** on 6th & Stark: Another good organization to communicate with & give more information to about Portland Harbor

Thank you!
